

**MARK JASON T. GALANG**  
**BS Computer Science**  
with Specialization in **Software Engineering**

**Objective**

To acquire a computer science internship where I can put my understanding of programming languages and algorithms while acquiring practical experience in the field to help develop cutting-edge technology solutions

**Accomplished Projects**

- LOC8TE : An android application for locating professionals near you. Also, there are other features such as geofencing, chat, and event creation. | **Project Manager, Backend Programmer**
- E-Commerce Website : An online shopping website wherein the administrator can add a business or an event, update cinema schedules, and create articles themselves. | **UI Designer, Frontend Programmer**
- Brave Knight: An ASCII Art Adventure : A 2D console game created with C++ and ASCII art wherein the knight enters a tower and he needs to defeat the enemies in each floor to win the game. | **Backend Programmer**

**Education**

**BS Computer Science with  
Specialization in Software Engineering (BSCSSE)**

FEU Institute of Technology  
P. Paredes St., Sampaloc, Manila  
Expected Graduation - 2024

**Senior High School - IT in Mobile App and Web Development**

STI College Ortigas-Cainta  
Ortigas Ave Ext, Cainta, 1900 Rizal  
2019

**Personal Information**

Address	:	Block 4 Lot 26 Phase 8 Golden Glow St. Cainta Greenland
Mobile	:	09085996647
E-mail	:	201910574@fit.edu.ph
Birthday	:	May 21, 2001
Father	:	Jaime A. Galang
Mother	:	Myra T. Galang

**Hardware and Software  
Proficiency**

C++  
Java  
Python  
HTML  
CSS  
PHP  
JavaScript  
Bootstrap

**Awards**

Champion, FEU Tech Clash of Coders: JTCP 2022  
  
Champion, FEU Tech Clash of Coders 2021  
  
Champion, FEU Tech PyTournament: An Inter-Collegiate Algorithmic Challenge 2022  
  
1<sup>st</sup> Runner-Up, FEU Alabang CODEvention: Programming 101 Competition 2021  
  
1<sup>st</sup> Runner-Up, FEU Tech Think Like a Coder 2020

**Certifications**

Pearson® IT Specialist - Python  
  
2021  
  
Microsoft® MTA: Introduction to Programming Using Java  
  
2020

**Organizations**

Member, Association of Computing Machinery | 2022 – Present

**Other Interests**

Anime and Manga  
Mobile Games
